

Start point	Church Lane by St Mary's Church Grid reference TG005089
Parking	–
Distance	2.7 miles
Details	Minor gradients, 80% soft 

Walk instructions

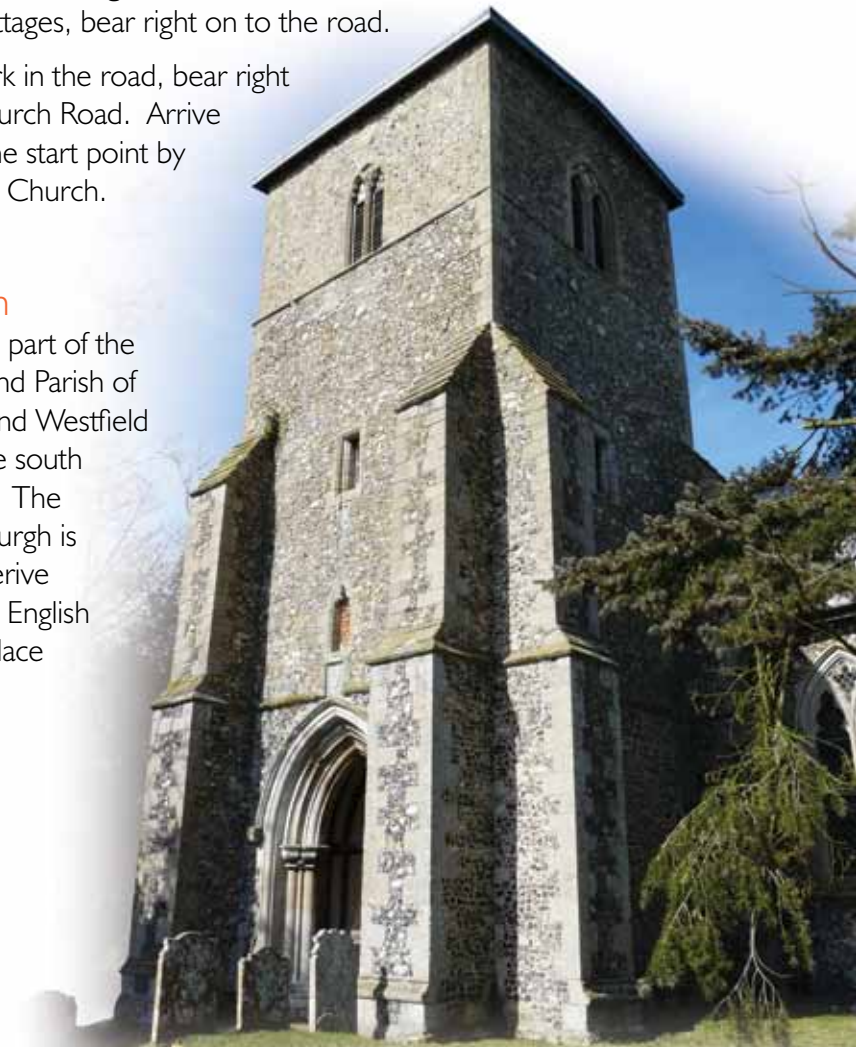

Please note: Car parking is limited in the village. Please park carefully and considerately on the roadside where it is suitable to do so and make your way to the start point. Please do not block roads, footpaths, driveways or field entrances.

1. Start by St Mary's Church on Church Road. With the church on your right, walk a very short distance on the road and turn right along the public footpath.
2. At the end of this path, turn left on to Shop Street and after a short distance, as Shop Street bends to the left, continue walking straight on along the public footpath along the field edge.
3. Cross a wide track (Field Lane) and continue along the footpath. Walk through a woodland area. Exit the woodland following the field edge to your left until you come to another wooded area. Follow the footpath through the trees and climb the three steps up to the road.
4. Turn left on to Whinburgh Road. Follow the road for approximately 200 yards and just after the road bends at Broom Corner, turn right along the public footpath (track) between the houses. Pass Home Farm on your left.
5. Follow the footpath along the track towards Park Farm.

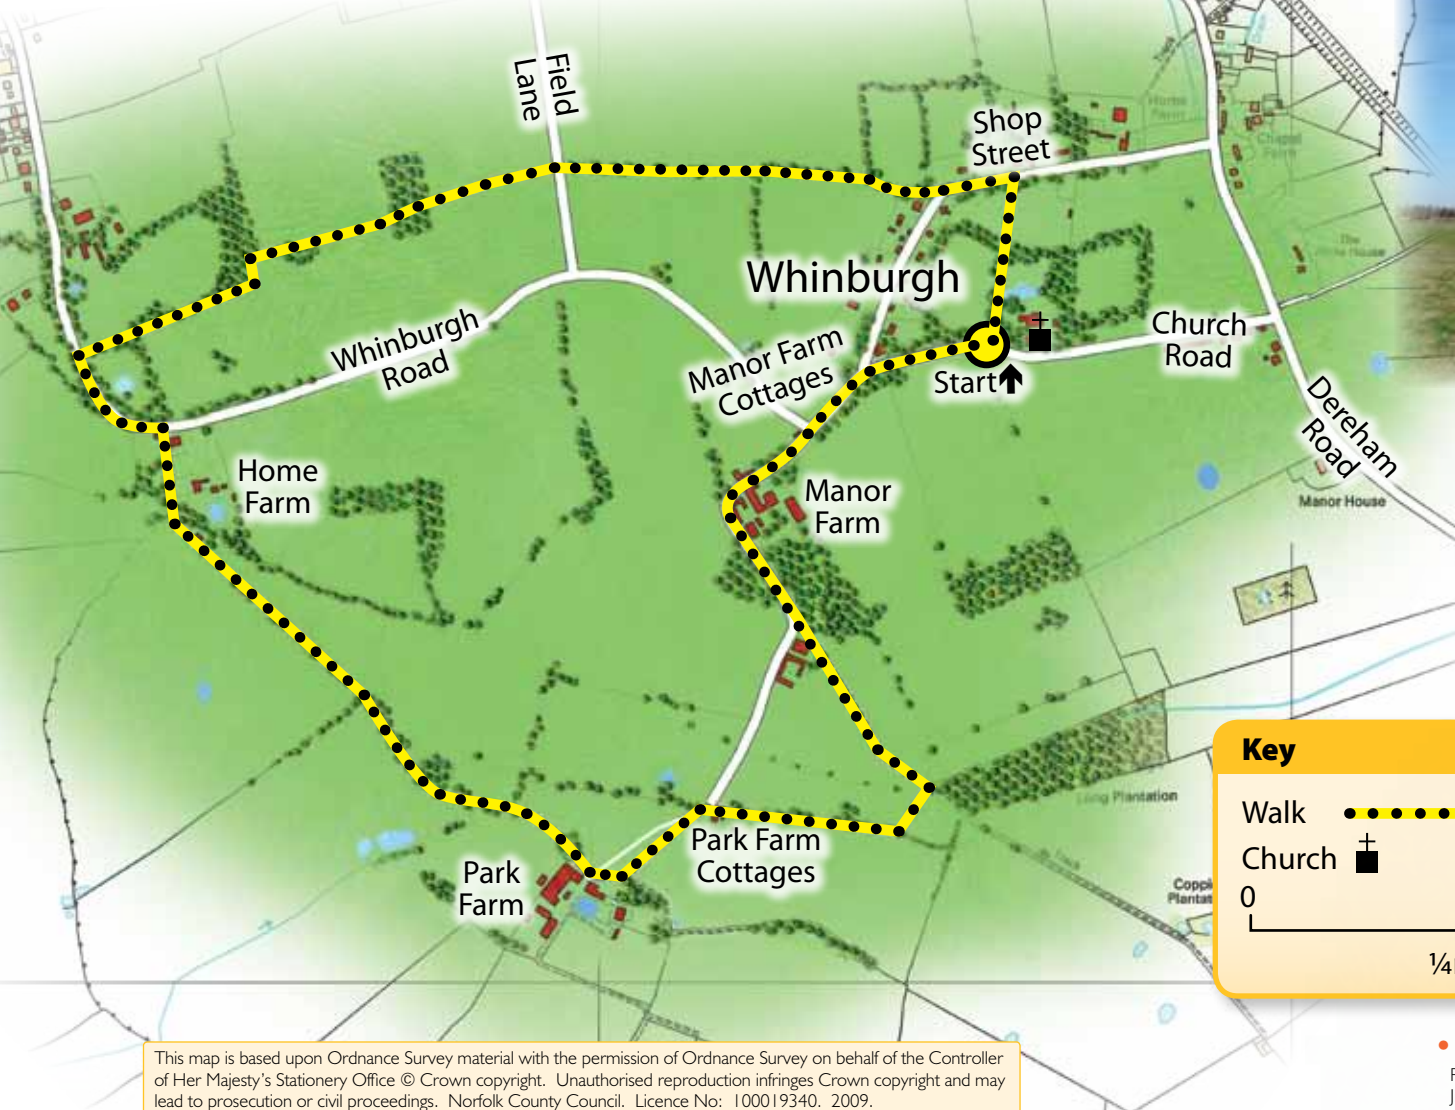

6. Follow the public right of way as it bends sharply to the left and then at Park Farm Cottages, turn right through a rambler gate. Follow this path along the fence line until you reach a drain. Follow the drain left for approximately 60 yards. Cross the drain and proceed to a track.
7. On reaching the track, turn left and head towards Manor Farm. The track bends right round Manor Farm. At Manor Farm Cottages, bear right on to the road.
8. At the fork in the road, bear right on to Church Road. Arrive back at the start point by St Mary's Church.

Whinburgh

Whinburgh is part of the small Breckland Parish of Whinburgh and Westfield located to the south of Dereham. The name Whinburgh is thought to derive from the Old English for fortified place overgrown with furze.

A pretty walk across a classic Norfolk farming landscape. The views are uplifting, the surroundings are calming and the walk is quiet and peaceful.

Look out for...
 St Mary's Church (13th century and later)

- Common farmland birds such as lapwing, grey partridge, skylark, barn owls
